Leading Through Change - Workbook

Leader course | Trainer: Maya Thompson

About this workbook

Help your team understand, shape and commit to change instead of enduring it.

Use it alongside the course player. Print it, or type your answers into a document. Writing things down makes them easier to remember and to act on.

Reflection questions

1. Think of a change you went through. What did you expect to lose, and did anyone ask?

2. What would your team say is the reason for the change you are leading, in their own words?

3. Which small ritual could you add to keep the change visible every week?

Write your answers below each question. There are no right answers.

Exercise: Resistance map

1. List the people or groups affected by your change.

2. For each, write what they may expect to lose.

3. Write one honest sentence you could say to each group.

4. Choose one practical barrier to remove this week.

Seven-day action plan

Choose one outcome from this course to practise.

Day 1: decide the situation where you will use it.

Day 2 to 6: use it once a day and write one line about what happened.

Day 7: review. What worked, what will you change, who will you tell?

Outcomes to choose from:

- Explain the why of a change in plain language

- Spot and address resistance early

- Keep momentum after the launch

Confidence check

Rate your confidence with each outcome from 1 to 10 now, and again in two weeks.
