The Emotionally Intelligent Leader - Workbook

Leader course | Trainer: Maya Thompson

About this workbook

Shape the emotional climate of your organisation and lead others through pressure.

Use it alongside the course player. Print it, or type your answers into a document. Writing things down makes them easier to remember and to act on.

Reflection questions

1. How would your team describe the weather you create on a bad day?

2. What is one behaviour of yours that people copy, for better or worse?

3. Which manager would benefit most from a coaching conversation this month?

Write your answers below each question. There are no right answers.

Exercise: Climate check

1. Ask three people to describe the mood of the team in three words.

2. Compare their answers with how you would describe it.

3. Choose one behaviour that could shift the climate in the direction you want.

4. Repeat the check in a month.
