# Building High-Performing Teams - Workbook

Leader course | Trainer: Priya Raman

## About this workbook

Design the rhythms, roles and culture that let teams of teams perform and stay well.

Use it alongside the course player. Print it, or type your answers into a document. Writing things down makes them easier to remember and to act on.

## Reflection questions

1. Is your team’s main constraint trust, clarity or energy, and how do you know?

2. Which team ritual is already working, and what makes it stick?

3. Which other team do you depend on most, and how clear is the handover?

Write your answers below each question. There are no right answers.

## Exercise: Three-question health check

1. Write three questions on trust, clarity and energy, scored one to five.

2. Collect the answers anonymously.

3. Share the results and ask what stands out.

4. Agree one action and an owner.

## Seven-day action plan

Choose one outcome from this course to practise.

Day 1: decide the situation where you will use it.

- Align several teams around shared goals

## Confidence check

Rate your confidence with each outcome from 1 to 10 now, and again in two weeks.
