Team Trust Reset - Workbook

Practitioner course | Trainer: Daniel Okafor

About this workbook

Tools for team leads to rebuild trust and agree how the team works together.

Use it alongside the course player. Print it, or type your answers into a document.
Writing things down makes them easier to remember and to act on.

Reflection questions

1. When did someone in your team last disagree openly, and how was it received?

2. Which team agreement is most often broken, and what would make it easier to keep?

3. What is one small promise you could keep this week that your team would notice?

Write your answers below each question. There are no right answers.

Exercise: Draft a team charter

1. List three behaviours you want more of in the team.

2. List three you want less of.

3. Turn them into three to five commitments in the team’s own words.

4. Agree where the charter will live and when you will review it.
