Leadership Essentials - Workbook

Foundation course | Trainer: Daniel Okafor

About this workbook

The habits of good leadership, whatever your title: ownership, clarity and trust.

Use it alongside the course player. Print it, or type your answers into a document. Writing things down makes them easier to remember and to act on.

Reflection questions

1. Where do you step in and take over when you could ask first?

2. What request did you make recently that was not clear, and what happened?

3. Which promise have you made that you have not yet kept?

Write your answers below each question. There are no right answers.

Exercise: Clear request practice

1. Choose three requests you will make this week.

2. Write each with an outcome, an owner and a date.

3. Ask each person to repeat back what they will do.

4. Note how many were completed on time.

Seven-day action plan

Choose one outcome from this course to practise.

Day 1: decide the situation where you will use it.

Day 2 to 6: use it once a day and write one line about what happened.

Day 7: review. What worked, what will you change, who will you tell?

Outcomes to choose from:

- Take ownership without taking over

- Communicate a clear next step

- Build trust through small kept promises

Confidence check

Rate your confidence with each outcome from 1 to 10 now, and again in two weeks.
