Team Foundations - Workbook

Foundation course | Trainer: Priya Raman

About this workbook

What makes a team work, and how to be the colleague everyone wants on theirs.

Use it alongside the course player. Print it, or type your answers into a document. Writing things down makes them easier to remember and to act on.

Reflection questions

1. Which of the three shared traits of great teams is strongest in your team, and which is weakest?

2. What stopped you the last time you wanted to speak up?

3. How did your team respond the last time someone raised a concern?

Write your answers below each question. There are no right answers.

Exercise: Meeting contribution plan

1. Read the agenda and write one point you can add.

2. Choose one quiet colleague and plan to ask for their view.

3. Write a two-line summary of decisions at the end.

4. Send it within a day.
