- Set up a monthly team health check

What trust looks like in practice

Trust shows up in small behaviours: following through, admitting mistakes and asking for help. We make those visible.

Reflection: Rate your confidence from 1 to 10 now, and again in two weeks.

Writing a team charter

A one-page agreement on how the team makes decisions, communicates and handles disagreement.

Reflection: Write three sentences about a recent moment this applied to you.

The monthly health check

Ten minutes a month to ask how the team is really doing, using five simple questions.

Reflection: What will you try differently this week? Who will notice?
